Experience

○ 2023 – now

Cml global

Software Developer, Tech Lead

During my tenure at CML Global, I took the lead in the Kooballo project, where I independently crafted three apps. Leveraging my skills in React Native, Supabase, I seamlessly blended tech and creativity. Embracing Agile methodologies, I efficiently managed the projects and proudly published the apps on both the App Store and Play Store, highlighting my comprehensive skill set and dedication to delivering top-notch solutions.

○ 2023

Elite zone

Developpement Teacher

As a teacher in Elite Zone, I've guided students through mastering HTML5, CSS, and JavaScript and python, fostering their skills in React.js and React Native. Nurturing a deep understanding of MongoDB and Express, I've instilled agile development practices, ensuring a holistic approach to web and mobile development in a dynamic learning environment.

○ 2022 - 2023

Jawharat assahra

Mathematics Teacher

In Jawharat Assahra, I thrived as a Mathematics teacher for the third year of high school, fostering a dynamic learning environment. Employing innovative teaching methods, I engaged students in the fascinating world of math, ensuring a comprehensive understanding. Witnessing their academic growth and enthusiasm was truly rewarding. My time in Jawharat Assahra left an indelible mark on both my students and me.
